It is agreed and understood that otherwise subject to the terms, exclusions, provisions and conditions contained in the Policy or endorsed thereon, this insurance shall not cover any costs incurred in connection with maintenance work on electronic components of the insured machinery.

Maintenance as used in this Endorsement is understood to mean the following:

- safety checks
- preventive maintenance
- rectification of loss or damage or faults arising from normal operation as well as from ageing, eg by repair or replacement of modules, sections, assemblies, and components
