Section 3 – Delay in start-up

- 1. Indemnification**
- 1.1. The *insurer* shall indemnify the *insured* for a loss of the *interest insured* unless specifically excluded if at any time during the *period of insurance* the *property insured* under section 1a suffers loss or damage indemnifiable under section 1a or which would have been indemnifiable under section 1a but for the application of a *deductible*, thereby causing an interference in the construction, erection or testing time schedule resulting in a *delay in start-up* of the *business insured*.
- 1.2. The indemnity for the loss of *interest insured* shall be in respect of:
- 1.2.1. *gross profit*, the loss actually sustained during the indemnity period resulting from a reduction in *turnover* including any *increased cost of working* or
- 1.2.2. *specified standing charges*, the amount actually not earned during the indemnity period resulting from a reduction in *turnover* including any *increased cost of working*.
- 1.3. The indemnity shall not exceed the *sum insured* for the *maximum indemnity period*.
- 2. Sum insured**
- 2.1. The *sum insured* shall be
- 2.1.1. the annual *gross profit* specified in the *schedule* or
- 2.1.2. the annual *specified standing charges*.
- 2.2. Should the *maximum indemnity period* exceed twelve months, the *gross profit* or the *specified standing charges* shall be the pro rata amount for that period.
- 3. Period of insurance**
- 3.1. The insurance cover under this *section* shall begin upon commencement of physical work or storage on the *site* or the inception date specified in the *schedule*, whichever is the later.
- 3.2. All insurance cover under this *section* shall cease on the *scheduled date of commencement of the business insured* or on the *date of commencement of the business insured*, whichever is the earlier.
- 3.3. No extension of the *period of insurance* under section 1a shall automatically extend the *period of insurance* for this *section*.
- 3.4. Any anticipated change in the *scheduled date of commencement of the business insured* shall be reported to the *insurer* and be effective for this *section* only if specifically agreed upon by the *insurer* in writing.
- 3.5. If as a result of a *delay in start-up* the *period of insurance* under this *section* is to be extended, the *time excess* and the indemnity period shall be renegotiated and agreed upon in writing.
- 4. Indemnity period**
- 4.1. The indemnity period shall be the period during which the *interest insured* is affected as a result of the *delay in start-up*, beginning on the *scheduled date of*

commencement of the business insured and not exceeding the *maximum indemnity period* specified in the *schedule*.

5. Premium

5.1. A deposit *premium* shall be paid at the inception of this *section* and shall be calculated by multiplying the *sum insured* by the *premium rate*.

5.2. If the *insured* declares and his auditors have certified that the amount of the *gross profit* during the accounting period of twelve months following the *date of commencement of the business insured* or the date on which but for the *delay in start-up* the *business insured* would have commenced was less than the annual *sum insured*, a pro rata return of *premium* not exceeding one third of the *premium* paid shall be made in respect of the difference.

5.3. If any loss or damage has occurred giving rise to any payment in respect of a loss of the *gross profit* then the amount calculated before application of the *time excess* shall be added to the amount certified by the *insured's* auditors under clause 5.2 and any return of *premium* shall be based on the difference between such sum and the *sum insured*.

6. Time excess

6.1. In respect of a loss of *interest insured* the *insurer* shall not be liable for the amount obtained by multiplying the average daily value of the loss of *interest insured* sustained during the indemnity period by the number of days specified in the *schedule* as the *time excess*.

7. Exclusions

The following shall be excluded from the cover provided by this *section*:

7.1. loss of *interest insured* due to any *delay in start-up* resulting from

8. Claims notification and the insured's special obligations following an occurrence of loss or damage

8.1. In the event of any occurrence of loss or damage which might cause a *delay in start-up*

8.1.1. the insured employer shall immediately notify the *insurer* and send it written confirmation thereof within forty-eight hours of the occurrence;

8.1.2. the *insurer* or the *insurer's agent* shall have unlimited access to the *site* to establish the possible cause and extent of the loss or damage, its effect on the *interest insured*, to examine the possibilities for minimizing the *delay in start-up* and if necessary to make reasonable recommendations for the avoidance or minimization of such delay.

8.2. In the event of a claim being made under this *section*, the *insured* shall at his own expense deliver to the *insurer* not later than thirty days after the *delay in start-up* or within such further periods as the *insurer* may allow in writing a written statement setting forth particulars of the claim.

8.3. 9.1. Loss of *gross profit*

9.1.1. In respect of loss of *gross profit*, the *insurer* shall pay the amount obtained by multiplying the *rate of gross profit* by the amount by which the actual *turnover* during the indemnity period falls short of the *turnover* which would have been achieved had the *delay in start-up* not occurred.

9.1.2. If the annual *sum insured* hereunder is less than the amount obtained by multiplying the *rate of gross profit* by the *annual turnover* or, if the *maximum indemnity period* exceeds twelve months, the *turnover* calculated for the equivalent period, the amount payable shall be reduced proportionately.

9.2. Specified standing charges

9.2.1. In respect of *specified standing charges*, the *insurer* shall pay the amount obtained by multiplying the percentage by which the actual *turnover* during the indemnity period falls short of the *turnover* which would have been achieved had the *delay in start-up* not occurred by the amount of *specified standing charges* incurred during the indemnity period.

9.2.2. If the *sum insured* hereunder is less than the amount obtained by multiplying the *rate of gross profit* by the *annual turnover* or, if the *maximum indemnity period* exceeds twelve months, the pro rata *turnover* for that period, the amount payable shall be reduced proportionately.

9.3. Increased cost of working

9.3.1. In respect of *increased cost of working*, the *insurer* shall pay the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in *turnover* which, without such expenditure, would have occurred during the indemnity period after the time excess.

9.3.2. The indemnity shall not exceed the amount of loss of *interest insured* thereby avoided.

9.4. Calculation of *rate of gross profit* and *annual turnover*

9.4.1. In calculating the *rate of gross profit* and *annual turnover*, the following aspects shall be taken into consideration:

9.4.1.1. the results of the *business insured* for the 12-month period after the *date of commencement of the business insured*;

9.4.1.2. any circumstances which would have affected the *business insured* had the *delay in start-up* not occurred;

9.4.1.3. any circumstances affecting the *business insured* after the actual *date of commencement of the business insured*.

9.4.3. If through measures undertaken to avoid or minimize the *delay in start-up* a financial advantage accrues to the benefit of the *insured* during the period of the *time excess* or up to six months beyond the indemnity period, this financial advantage shall be taken into account in determining the indemnity.

9.4.4. Liquidated damage for which any contractor is obliged to indemnify the *insured* shall be deducted from the loss of *interest insured*.

- 11.1. The *insured* shall provide the *insurer* with updated progress reports at the intervals stated in the *schedule*.
