Policy no.

Inclusion of boiler, hot water boiler and pressure vessel explosion

- 1 In consideration of the payment of an additional premium it is herewith agreed and declared that notwithstanding anything to the contrary contained in the written policy, the insurance under this Policy shall extend to cover
 - 1.1 damage to boiler, hot water boiler, pressure vessel as described in the attached Machinery schedule,
 - 1.2 damage to surrounding property of the Insured, property in care, custody or control of the Insured up to a limit of..... per event.
 - 1.3 Third party legal liability:
 - 1.3.1 bodily injury fatal or non-fatal to any person other than a person under a contract of service or apprenticeship with the Insured
 - 1.3.2 property damage other than property belonging to the Insured or property in care, custody or control of the Insured up to a limit of based on a combined single limit for 1.3.1 and 1.3.2 per event.
- 2 Arising as a direct consequence of and solely due to the sudden and violent rending or tearing apart of a boiler, hot water boiler or other pressure vessel by force of internal steam or fluid, or air pressure (other than ignition of flue gas) whilst in the course of ordinary working, causing bodily displacement of the boiler, hot water boiler or pressure vessel or any part or parts thereof and accompanied by the forcible ejection of its contents.
- 3 The Company will in addition indemnify the Insured against
 - 3.1 all costs and expenses of litigation recoverable by any claimant from the Insured, and
 - 3.2 all costs and expenses incurred with the written consent of the Company.

In the event of the death of the Insured the Company will in respect of the liability incurred by the Insured for which indemnity is provided under this extension clause indemnify the Insured's personal representatives in the terms of and subject to the limitations of this Policy and endorsement provided that such personal representatives shall as though they were the Insured observe fulfil and be subject to the terms exceptions and conditions of the policy and endorsement as far as they can apply.

- 4 In addition the Company will where legal proceedings have been defended with its written consent pay all legal expenses for which the Insured may be liable.

Engineering

- 5 However, the Company shall not in any case be liable for loss, damage or liability arising from this extension of cover

- 5.1 should the boiler, hot water boiler, pressure vessel as described in the attached Schedule and for which this extension is given, not be regularly inspected by an authorised Inspector in accordance with the relevant regulations (legal or otherwise) as in force;

- 5.2 should at the time of any explosion of a boiler, hot water boiler or pressure vessel and/or attached apparatus insured hereunder, the Insured not be in possession of the unlimited permission in writing of the competent Inspecting Authority to operate the said boiler, hot water boiler and pressure vessel or apparatus;

- 5.3 should the maximum pressure or load upon the safety valves immediately prior to the explosion be in excess of that stipulated by the said Authority.

- 6 All other terms and conditions of the policy remain unchanged.
