Bank Meeting Room

## IMIA ENGINEERING INSURANCE ACADEMY

10<sup>th</sup> to 14<sup>th</sup> June 2024

---

### *Comments from delegates who attended the last couple of Academies*

---

- IMIA has put in effort to arrange the conference despite the pandemic condition, and done a good job. All speakers are passionate and willing to contribute. It is my pleasure to be able to attend the conference. Congratulation for the success and please keep it on.
- 'Continue doing the great job that you do! '
- The overall course was very informative and interactive. Developed new knowledge within my industry while also enhanced existing knowledge.
- Had the opportunity to meet several people within the industry while also networked with my peers which promoted idea and scenario exchanges.
- In summary, a very enjoyable and educative 1-week session.
- 'Thank you for everything!! '
- 'I would like to thank the organizers for preparing such an event, it was a very valuable experience '
- 'Very good organized, comfortable venue good location and equipment, lunch could be a bit more variety '
- 'Thank you for the invitation and organization of the IMIA Academy, which I find useful and interesting'
- Great Networking potential/Central and well located venue/Brilliant Venue /superb room/fantastic place

IMIA was established in 1968. It is the world's only global Association of Insurance and Reinsurance Companies.

There are more than 120 members companies in 50 countries from all over the world and is focused on promoting best practices in Engineering Insurances. IMIA has organized eight very successful training courses for Engineering underwriters and experts busy in Engineering Insurance Lines. We welcome you to our thirteenth course taking place from 10 to 14 June 2024 in London.

This course is NOT meant as a basic introduction to Engineering Insurance but targets participants with a minimum experience of 2 to 3 years in Engineering Insurance. Lecturers are senior Engineering experts who work in some of the largest and most important Engineering Insurance Companies in the world.

Friday of the course week, an examination will take place and those who succeed will receive a formal IMIA Diploma. Everyone will receive a Certificate of Attendance.

For this top quality 4.5 days course, the number of participants is limited to **35** persons.

Basic Conference Fees include 5 work lunches and 1 dinner (Tuesday evening).
